

## *List of Research Papers*

1. Abhay Kumar Singh and B.M. Pandeya, A note on Generalization of Semiclean Rings **International Journal of Algebra, Vol. 5, 2011, no. 21, 1039 – 1047.**
2. Abhay Kumar Singh and B.M. Pandeya, Generalizations of Strongly Clean Rings, **International Journal of Algebra, 2011 (Accepted for publication).**
3. Abhay Kumar Singh, “Essentially Slightly Compressible Modules and Rings” **Asian-European Journal of Mathematics (World Scientific)** (Accepted on 11 October 2011).

## **No Research Paper Communicated- 04**

### **Conference / Symposium /Workshop Attended / Presented papers:**

1. Short term training Course on LATEX, BHU Varanasi, Jan., 17-22, 2005.
2. The xvi Annual conference of Jammu Mathematical Society, Department of Mathematics, University of Jammu, march, 01-03, 2006.
- 3 Workshop on “Role of Mathematics in Science and technology” held on 24 october 2007, HBTI, Kanpur.
4. XXIII Annual conference of The Mathematical society, B.H.U (December 29&30, 2007) at Department of Mathematics BHU Varanasi. **(Presented a paper entitled ‘Essentially Slightly Compressible Modules and Rings’).**
5. **International conference on Algebra and its Applications**, February 20-22, 2010 at Department of AMU, Aligarh **(Presented a paper entitled ‘Uniquely clean ideals’).**
